### Shoe Shop Role play

This is a great way to look at number recognition, size, measure and recording numbers. You can draw around feet. Provide plenty of paper and pens!

### KEEP COOL THIS WEEK! Look at the learning involved...

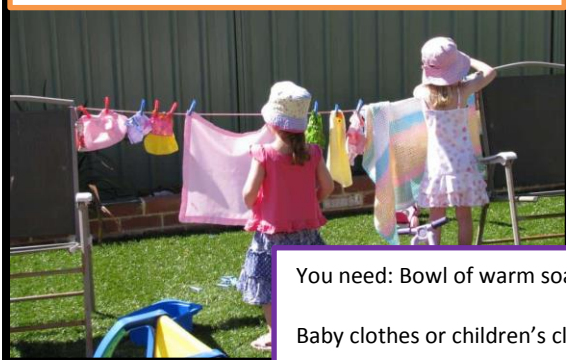

Physical Development and role play

Problem Solving, teamwork and cooperation.

Communication and Language Development.

Independence, self-esteem and a growth mindset.

### Water Play - Washing Clothes

You need: Bowl of warm soapy water

Baby clothes or children's clothes

Pegs and String to create a low washing line

Sorting, matching, independence, self-care and fine motor skills are just a few skills developed.
