GINGERBREAD sensory writing tray

Teach through hands-on experiences.

Bake some gingerbread men this week? We are 😊

Cognitive Development:

Cooking encourages children's thinking, problem-solving, and creativity. It also allows children the opportunity to use the knowledge they have and apply it by counting, measuring, following a sequence, following directions, and cause and effect.

GINGERBREAD PLAY DOUGH RECIPE:

- 2 cups plain flour
- 1/2 cup salt
- 3 tablespoons any oil
- 2 tablespoons cream of tartar
- 1 cup of boiling water (added gradually)
- 1 tablespoon ground ginger
- 2 tablespoons ground cinnamon

Retell favourite fairy tales together in a playful way! It's easy to set up with items from around the house and beneficial for so many strands of **early literacy**
